**O**WING to the unsettled condition in the business community, through the lingering delay of our legislators to have the tariff bill passed, in addition to the unseasonable, unusual Spring Weather we have had, has enabled us to purchase some of the best and most desirable line of Piece Goods of this season's production, which we have made up in ready-to-wear Suits for Men, Boys & Children, and also a stock of Men's Furnishings at such low prices, so as to enable us to make this First Anniversary Sale one of the greatest events of the Spring 1909, in fact it will surpass Our First Opening just a year ago for we have added a great many lines since. You may come to the Sale at the Maaget Co.'s Store and save from \$5 to \$10 on your Suit and fully 50 per cent. on your furnishings for Spring and Summer wear, and while enjoying that advantage of practical economy, we guarantee that you will lose nothing in artistic elegance and material excellence.
